* Supplement to the "List of Books...Relating to the Eight-Hour working day...", published by the Library of Congress in 1908.
Prepared with the assistance of the Division of Bibliography, Library of Congress, and the library of the Bureau of Labor Statistics.
This list does not include references to the literature on the trainmen's wage controversy of 1916 nor to the so-called Adamson eight-hour law, except as such literature relates to the eight-hour movement in general.
